The Right Diagnosis For Your Real Estate

Whether you lead a health system, physician group, outpatient network or healthcare company, industry disruption is changing not only how you deliver care, but where. Our specialists help you align real estate with your mission — building strategies with the economic and functional flexibility to grow.

We work exclusively for occupiers — never landlords or developers — so every recommendation is made in your best interest.

Who We Serve

- Health Systems
- Physician Networks

Real estate built around care. One team for every site and stage.

From the first market study to every renewal after, Cresa's integrated service lines work as one team on your side, helping healthcare organizations grow, operate and adapt with confidence. Because we represent only occupiers, every recommendation is aligned with your patients, your clinicians and your budget. Whether you're opening a single clinic or managing a national network, the same team stays with you from strategy through move-in.

How We Help

Opening a New Location
- Sites weighed on patient access, drive times and clinical talent
- Lease terms built for medical build-out and permitted use

Growing Across Markets
- Multi-site rollouts managed by one coordinated team
- Consistent standards and reporting at every location

Renewals & Rightsizing
- Critical dates tracked, so you negotiate early with leverage
- Space matched to how your teams actually use it

Mergers & Integration
- Lease-level diligence on every acquired location
- Overlapping sites consolidated and savings captured

Relocating Without Disruption
- Build-outs and moves planned around patient care
- Costs, schedules and vendors managed through move-in

Freeing Up Capital
- Sale-leasebacks and financing for owned facilities
- Owner-occupied development when owning makes sense

Cresa Core™

Powered by CresaAI | Built on OpenAI

Cresa Core™ is our occupier-focused intelligence platform. It brings your portfolio and market data into one source of truth, then applies enterprise-grade AI so your Cresa team can model scenarios faster and act with confidence at every location. Your data stays encrypted, fully governed and never trains outside AI models.

Every Location, One View
Leases, projects and costs for your whole network in one place.

No Missed Renewals
Critical dates flagged automatically, so you negotiate early.

Sites Compared Side by Side
Weighted scoring, drive times and talent data for each site.

Audit-Ready Reporting
AI lease abstraction and ASC 842 compliance built in.

Our Process

1. **Assess** — Review your markets and current portfolio
2. **Target** — Prioritize the right markets
3. **Specify** — Define building and site requirements
4. **Staff** — Weigh access to clinical talent
5. **Negotiate** — Secure the best terms and incentives
6. **Deliver** — Manage build-out through move-in

From first market study to move-in day. One Cresa team manages every step, from location strategy and lease negotiation to project delivery and lease administration.
