The Right Diagnosis For Your Real Estate

Whether you lead a health system, physician group, outpatient network or healthcare company, industry disruption is changing not only how you deliver care, but where. Our specialists help you align real estate with your mission — building strategies with the economic and functional flexibility to grow.

We work exclusively for occupiers — never landlords or developers — so every recommendation is made in your best interest.

Real estate built around care. One team for every site and stage.

From the first market study to every renewal after, Cresa's integrated service lines work as one team on your side. Here's how each one helps healthcare organizations grow, operate and adapt with confidence.

Transaction Management
Leases negotiated for clinics and medical offices, from new sites to renewals, subleases and exits.

Location Advisory
Site selection that weighs patient access, clinical talent, total occupancy cost and incentives.

Project & Development Services
Clinical build-outs, relocations and multi-site programs delivered on time and on budget.

Portfolio Solutions
Standards, benchmarking and scenario planning across every location you operate.

Lease Administration
Critical dates, invoice validation and lease audits across your entire clinic network.

Strategic Consulting
Operating models, cost reduction and M&A support as healthcare organizations combine and grow.

Workplace Solutions
Occupancy planning and test fits for clinical and administrative space before you commit.

Capital Strategies
Sale-leasebacks, financing and owner-occupied development that free capital for care.

Our Process

1. **Assess** — Review your markets and current portfolio
2. **Target** — Prioritize the right markets
3. **Specify** — Define building and site requirements
4. **Staff** — Weigh access to clinical talent
5. **Negotiate** — Secure the best terms and incentives
6. **Deliver** — Manage build-out through move-in

From first market study to move-in day. One Cresa team manages every step, from location strategy and lease negotiation to project delivery and lease administration.

What You Receive

- **Confidence in the decision** — Recommendations grounded in market data and Cresa Core™ insight that you can defend to leadership and lenders.
- **Clinical strategy aligned to the market** — Sites chosen for patient access, clinical talent and total occupancy cost, not just rooftops and traffic counts.
- **Reduced risk, faster approvals** — Answers ready before your board asks, so decisions move from analysis to approval without rework.
- **A long-term strategic advisor** — Conflict-free guidance that carries the relationship beyond one transaction into ongoing portfolio strategy.
